

Track & Field Season

Track and Field season is one of the highlights of our year, bringing together athletes of all ages and abilities to enjoy “a run, a jump, and a throw.” This simple focus captures the spirit of the sport, ensuring that every child has the chance to get involved and take part in our awards scheme.

Our season connects directly with two major fixtures on the local calendar — the **Athletics Wicklow Track & Field Championships in May** and the **Aughrim–Annacurra Community Games County Finals in June**. Both events are fantastic opportunities for young athletes to experience competition, test their skills, and celebrate the joy of sport in a supportive community atmosphere.

Also featured on this is the Athletics Wicklow Indoor Track & Field Championship in January of each year. This is a slightly slimmed down version of the outdoor championship.

Awards Schemes

For kids U12 the Athletics Wicklow Championships use a awards scheme to determine medal placement. Each child takes part in a set number of events such as 60m Sprint, Long Jump, High Jump, Turbo Javelin etc and they are then awarded points based on their results. These points are then added up to give medal placement.

Aughrim – Annacurra Community Games

Aughrim Athletics in conjunction with Aughrim Annacurra Community Games host our area finals in May each year. This is open to all kids residing in Aughrim/Annacurra area. If they place in a race they then progress to Wicklow Community Games County Finals held in June. This normally takes place in Shillelagh so you may hear the coaching team referring to it as Shillelagh.
